Jack Russell 562-861-3187

**CLASSIFICATION:** Easy to strenuous, up to you. **COST:** none **TRIP LIMIT:** none

### **DESCRIPTION:**

#### WHAT HAPPENED:

We continued maintenance on the Colby Canyon Trail from the trailhead on Angeles Crest Highway, mostly tread repair and removing yuccas growing over the trail. We missed one outing due to closure of the forest and bad air quality.

#### WHAT'S HAPPENING:

The Forest is open again, so we will continue maintenance work on the Colby Canyon Trail. We reached the halfway point, so we will drive up to Josephine Saddle and work down the trail, eventually reaching where we left off coming up the Trail. There is more brush removal work near the top.

**BRING:** Dayhike gear (daypack, lunch, lots of water), sun screen, bug repellent, hat, sturdy shoes, and work gloves. You can bring your own tools or are welcome to use those from our group supply.

**MEET:** Meet at 8:15 AM at ball diamonds parking lot in the lower part of Hahamongna Park. Get off the 210 freeway at the Berkshire off-ramp and follow the signs for JPL and Hahamongna Park. Once you turn into the park, go down the driveway, make a right at the bottom and look for us in the parking lot by the ball diamonds. . We will sign in and form carpools, leaving at 8:30 sharp, returning around 4 PM. The leaders always take passengers, but make sure you have plenty of gas in case we need more drivers (riders can give drivers \$1 towards gas). If you need to leave early, please notify the leaders at sign-in time.

**Next tentative dates January 19 and February 16, 2008**

**Happy Holidays**
