McGee Creek Carcamp

July 2-6, 2008 (4 nights)

LEADER: Kim Aaron, Kim.M.Aaron@jpl.nasa.gov (818) 354-2816

CLASSIFICATION: Easy

COST: \$20/person

TRIP LIMIT: 18 people

DESCRIPTION: This is a carcamp to McGee Creek Campground, which is off the 395 highway past Bishop and almost to Mammoth. We have been many times on the July 4th weekend. We can go off in groups or individually as we like. There are lots of activities in the area. The Devil's Postpile is a very interesting geological formation that can be visited.

Mono Lake with its tufa formations is an easy drive:

We like to watch the fireworks over Crowley Lake.

Convict Lake is a beautiful place to visit. One year we hiked the three miles around it.

There is plenty of hiking in the area of all levels from easy strolls to strenuous.

Horses and mules are available at the McGee Creek Pack Station a short walk from the campground, although we've never done that, so not too sure on the details.

PRE-TRIP MEETING: TBD.
