February 20, 2010 CANCELLED

(Rain cancels any outing)

LEADER: Kathie Reilly 818-354-8321 (JPL) 626-798-7256 (home)

CLASSIFICATION: Easy to strenuous, up to you. **COST:** none **TRIP LIMIT:** none

DESCRIPTION:

WHAT'S HAPPENING:

We will be working on the lower section of the Middle Merrill & the Castle Canyon Trails. The primary jobs will be brushing and tread work on both trails.

We will again be meeting on Chaney Trail in Altadena at the first gate @ 8:00am. Try to be about 5 - 10 minutes early so we can get going no later than 8:15am. We will try to carpool from the first gate as well as from the second gate so we are not over parked at the Cape of Good Hope.

Everyone needs to bring their own lunch & water.

We should be off the mountain no later than 3:00pm.

A few things we need everyone to be aware of are some Forest Service regulations that we will have to start observing:

- Everyone needs to wear long pants & long sleeves shirt.
- This is mandatory when doing trail work anywhere on National Forest.
- Everyone needs to wear gloves.
- NO Tennis shoes or open toed shoes.
- Everyone needs to wear a good boot, preferably with a 6" high top.

Richard

Looks like we have work to do to get the road open.

Meet at lower sunset ridge gate at 7:00 AM bring shovels and any other dirt / rock removal tools that you may have. Our tools are in the shed higher up.

Any one that would like to go up earlier on a weekday evening to get a early start on this please contact me at emworks@verizon.net.
